

FIT IT IN THE HIT PARADE

© 2004 Bob Saker

Send me a bum of a dumb song
Blend me an “any dummy can hum” song
Tend me the sorta song Cole Porter never would have done;
Don’t need one bit
Of all that wit
To hit a number one,
So you just fix me a “make your brain numb” song
Mix me an “any dummy can strum” song
And I will dole a small payola
To make sure that it gets played-
And I’ll fix you A “Make a very large sum song”.
That any dummy can hum song
Won’t be such a bum song
When I fit it in the hit parade
